

Top Reasons Why You Should Use EBSCO Connect

Find Success with EBSCO Connect

Create your personal account today for unlimited access to a variety of resources designed to help you get the most out of your EBSCO products and services.

Locate Product Support

Find answers with our library of more than 3,000 continually updated product support FAQs, guides and tutorials.

Use Promotional Aids

Web buttons, flyers and handouts are available on a variety of products. Run email or social campaigns or embed our YouTube tutorials on your website.

Create Direct URLs

Our URL builder helps you create links to specific EBSCO databases or interfaces. Use for web buttons, communications, QR codes and more.

Receive Usage Statistics

Sign-up to get regular reports to analyze your usage statistics. Use them to create a marketing plan or for end-of-year reporting.

Custom Search Boxes

Make it easy to search right from your website. Generate HTML code that you can cut and paste — to get users to your content quickly.

Dive into Learning

Enhance your knowledge with eLearning paths, instructor-led courses, and recordings. Design your own curriculum to become an EBSCO resource expert.

Stay Up-to-Date

With our system alerts and community groups, you can catch up on the latest news, from EBSCO and your colleagues.

Contact Support

Need additional help? Our Customer Support is available 24/7. Submit your issue and manage updates through our easy-to-use case portal.
